

Oil filter
A clean business: Particularly robust, durable and servicefriendly.

Fuel filter
Without clean fuel, nothing runs: Operational reliability of the engine and injection system.

Air filter
This allows the engine to breathe easy: Highly efficient and reliable cleaning of the intake air.

Cabin air filter
Optimal climate in the car: Five-fold protection for your health.

Transmission oil filter
For greater driving comfort: High-performance for modern automatic transmissions.

Hengst oil
Simply more performance: Premium lubricants for the most rigorous requirements.

It is in the nature of the thing: the original doesn't come around a second time. And that is why the Hengst filter brand is unmistakable in the worldwide independent aftermarket.
As original equipment manufacturers and development partners with well-known vehicle and engine manufacturers, we implement the best ideas in the best quality.

From the classic filter insert to the sophisticated special application, you will find a full range of service parts of consistently high premium quality. **And that pays off for you and your customers.**

Pays off for you and your customers. Premium market quality.

1 Premium quality. Innovative filtration solutions mean more performance for the money.
2 Comprehensive product range. Our catalog meets all requirements, with more than 3,000 OEM-quality filter applications.
3 Personalized service. Your contact person always has an ear open for you and will take care of all your wishes.

4 Fast logistics. We supply what you need quickly and reliably thanks to our high performance logistics.
5 Marketing partnerships. We avoid overdistribution and seek to cooperate with selected partners for long-term success.

purifying our planet

The SMART Alternative.
OE quality and service excellence.

purifying our planet

Das Original.

The Hengst type designation.

Filter type

Product group

- AS _____ Separator
- E _____ Filter insert
- EAS _____ Filter insert separator
- EG _____ Filter insert transmission
- EY _____ Filter insert hydraulic
- H _____ Complete filter
- HG _____ Complete filter transmission
- HY _____ Complete filter hydraulic
- S _____ Special part
- T _____ Dryer box
- Z _____ Centrifuge

Serial number

Product type

- F _____ Free-spin centrifuge
- H _____ Oil filter main flow
- HN _____ Oil filter main/side flow
- K _____ Fuel filter
- KF _____ Fuel filter felt
- KFR _____ Fuel filter felt pipe
- KP _____ Fuel filter paper
- L _____ Air filter
- LB _____ Air filter- cabin air bio functional
- LC _____ Air filter- cabin air activated carbon
- LI _____ Air filter- cabin
- LS _____ Air filter- safety insert
- M _____ Mechanical
- N _____ Oil filter- side flow
- S _____ Filtration with sieve mesh
- SF _____ Filtration with sieve mesh
- U _____ Urea filter
- W _____ Spin-on filter
- WD _____ Spin-on filter- pressure-resistant oil
- WDK _____ Spin-on filter- pressure-resistant fuel
- WF _____ Spin-on water filter
- WK _____ Spin-on fuel filter

Variant

Product suffix

- D _____ Gasket kit
- 2/-3/... _____ Multiple set
- R _____ Right hand drive

Search conveniently, find what you need instantly. Quickly to the right filter – in the online catalog or using the app.
